

## What is the BLN?

The Buckeye Language Network fosters language-related initiatives in research and curriculum at The Ohio State University, and encourages interactions among faculty, scholars and their students.

## Why do Graduate Work at The Ohio State University?

OSU offers a diverse range of experiences for graduate students interested in pursuing a career in the language sciences. With over 60 faculty engaged in language-oriented research, OSU graduate students can choose from a wide array of programs, courses and research opportunities both within and across departments.
